

Parental Consent Form

Participation of Children in Educational Research Studies

After reading the attached Policies and Guidelines for Participation in Educational Research Studies, please sign this form and return it to Falk School. The form will be placed in your child's record folder in the school office. Thank you for your continued cooperation in helping Falk School to become one of the finest laboratory schools in the country.

Sincerely,

Wendell R. McConnaha
Director, Falk Laboratory School

I have read the statement of Policies and Guidelines for Participation in Educational Research Studies and give my consent to have _____, my child, participate in educational research according to the policies and guidelines.
